hey gorgeous,

let's get this thing

STARTED

HERE'S HOW IT WORKS.

What makes Samantha Jackson Boudoir a unique experience begins far before we snap the shutter for the first time. The best boudoir images come from an experienced photographer working with a happy, comfortable client - a combination that can take time to develop!

1 FIRST MEETING

Every session begins with an initial in-person consultation so we can get to know one another. At my stunning studio in Big Bay, - I love to meet over a cup of tea or wine and talk about who you are and who you'd love to become during our session. I also encourage clients to use this time for questions and ideas; and we love to show you our beautiful print products in-person to give you a feel for the final outcome of your session. This session is usually 60 to 90 minutes.

2 BOOK IT!

After the initial consultation, we'll work together to book your session date. I have some wonderful resources for lingerie and outfits which we love to share with our clients!

3 THE AFFAIR

on the day of your session, we'll sit and chat for a while - sip a glass of champagne or juice - listen to your favorite music. Whatever makes you comfortable! One of our expert professional stylists will be with us on-location to transform you into a supermodel. After hair, makeup, and a few sips of champagne - we'll get right down to it. Just you, me, and the camera. It'll be awesome. Before you leave we will book your REVEAL session date.

4 END RESULTS

At your REVEAL, your images will be shown to you on a slideshow for you to choose your favourites. Each image is lovingly hand-retouched to accent your best features while masking the rest! From this gallery you will be able to order prints, albums, and a variety of beautifully crafted photo products delivered to your door.

HAIR *AND*
MAKEUP

Professional hair and makeup services are included with your photo shoot experience! Once you book your shoot, I'll send you a fun questionnaire where you can tell me exactly the look you're going for, this will be discussed in detail at your pre-consult session! The day of your shoot, your stylist will be prepared to create the perfect look for you! Your stylist will also discuss makeup colors and styles based on your final outfit selections.

Professional hair and makeup is such an essential part of the boudoir photography experience; it can make or break your photo shoot and that's why I only work with the best makeup and hair artists! I have three professional hair/makeup stylists that I've worked with for years. Not only do they know how to give you the perfect look you're wanting, but most importantly they know how to do makeup for the particular lighting and retouching techniques I use.

Do you have a specific look in mind? In addition to your questionnaire, feel free to create a pinterest board and send me the link! email me on : hello@samanthajacksonstudio.com

NOTES FROM OUR CLIENTS

Love

"This is a slightly delayed but wholehearted THANK YOU for the boudoir photo-shoot including the spoil of having my hair and makeup done on site.

What an amazing gift... Not just for my husband, but for me, too. (You won't be surprised to hear that he was thrilled! He was so surprised and had no idea I did them.) This photo shoot has helped make me feel beautiful and special and most importantly helped me boost my self-esteem. I had no idea you could make me look so feminine, soft and pretty. I had an amazing time and really appreciated your kindness and patience throughout the whole process. I will always recommend you to everyone I know. Thank you so so much for the most wonderful experience! xx" B A R B A R A

"I had a boudoir shoot with Sam as a gift for my husband's birthday and what an amazing experience! From booking the shoot and answering all my questions right through to the most beautiful package delivered to my door, Sam is phenomenal! She made me feel so comfortable during the shoot and was very conscious of my body space... she directed me with words and never came into my space to move my arms or legs into position. Sam is highly attuned to that fine line in boudoir between classy and just a bit over the edge... the pictures are breathtaking. I still can't believe they are really me. They are images that I am thrilled to have... and I hope my husband will as well! I can't recommend her enough." C A R R I E

"Beautiful beautiful photos taken during my shoot. Would definitely use you again and would definitely recommend you to anyone"

"HI booked a mini boudoir shoot with Samantha and it was amazing. She made me feel so comfortable and at ease. Thank you Sam for being so patient with me as I had a knee opp and you just worked around it like the pro that you are. a breeze." S H I R E E Z

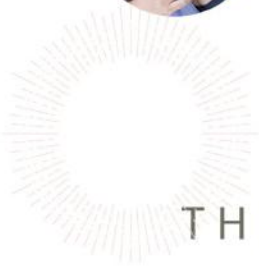

""Samantha, I just want to thank you so much for making me feel comfortable enough to do the boudoir session yesterday. It was hands-down the most daring experience I have ever put myself through, but you took away my nervousness and made it a breeze! I know some people are very comfortable in their own skin but being a rather large woman, and looking in the mirror and being okay with what I see back, after a good weight loss, has been a bit of a journey.. and still is. So thank you so much for making my experience so easy to do and for making me look and feel like I was a beautiful person! The hair and make-up was fabulous and a good spoil. I know this is the PERFECT GIFT to give my husband and the bonus is that I am proud to be able to give something like this! I can't wait to see his face- this will be a hard secret to keep for the next 2 weeks or so. Can't wait to see the final results."" M R S L

"I just want to say THANK YOU! The photos are absolutely stunning and so beautiful. Have a wonderful day.
Kind regards Lauren" L A U R E N

"Good morning Sam - I am so sorry for only sending this now, but I just wanted to thank you for the amazing experience on Saturday! You have a gift! I still can't believe that I actually did it AND enjoyed it that much! I cannot wait to see the photos. Have a lovely week! M R S J

THESE ARE JUST A FEW TESTIMONIALS

boudoir **FEAR**

I'M REALLY NERVOUS. IS THAT NORMAL?

It is definitely normal to be nervous for your boudoir session, so don't worry. In fact, I'd wager that about 99% of our clients are nervous when they first get started. However, within five or ten minutes of the session, most women not only feel comfortable, but confident and beautiful.

HOW DO I KNOW HOW TO POSE?

We've totally got you covered there. We know all the tips and tricks to create the most flattering angles for women of all shapes and sizes. Don't you worry about posing, we'll help you pose everything from your toes to your chin.

I WANT SHARE THESE PICTURES WITH MY PARTNER, BUT I DON'T WANT LOOSE PRINTS FLOATING AROUND. ANY IDEAS FOR THE BEST GIFT?

This is a common concern and we totally get it. We suggest our little black book, which is discreet and keeps all of the images in one place.

AM I ALLOWED TO BRING ALCOHOL TO HELP LOOSEN MY NERVES?

If you're over 21, we are A-OK with you bringing a drink.

WHAT SHOULD I BRING TO MY BOUDOIR SESSION?

For our normal sessions, we suggest two different outfits, three if you're feeling it, and any props you may want to incorporate. Props run the gamut from hair accessories to masquerade masks. If you want some ideas, let's talk!

DO YOU DO OUTDOOR BOUDOIR SESSIONS?

At this time, we only do outdoor boudoir sessions if they take place on your private property in a secluded area where nobody can see. We do this to protect you and us. We do have 1 or 2 selected venues that we can use for your session (contact us to find out more).

HOW LONG DOES IT TAKE TO GET MY PHOTOGRAPHS BACK?

We work to have your images to you within 20 working days of your session date.

DO I HAVE CONTROL OVER WHO SEES MY IMAGES?

Absolutely. When you book a session, we'll discuss all of this. We respect your wishes and won't post or share any images if you prefer they stay private.
