

KIDS

HELLO THERE!

My name is Catherine, (you can also call me CC) and here is a little bit about me:

I studied abroad in South Africa, ubuntu!

My husband Samuel and I hope to visit all 50 states.

I have a small parrot named Tulip.
Tulip is obsessed with banana chips!

Samuel and I recently adopted a puppy.
We named him Albert.

Albert is very patient with me and lets me take lots of pictures of him!

I drive a red Mini Cooper (small) and I am 6'1" (tall).

I am inspired by my sisters and husband who are all following their dreams and kicking serious butt!

I love photography because photographs help us remember in a way our memories can't.

My ideal client has a good sense of adventure and isn't afraid to break rules!

WELCOME

- BRING YOUR CHILD'S FAVORITE TOY.
