

# Red Carpet Paparazzi Photos

We also offer a **Red Carpet Paparazzi** photo option as well. Have your guests feel like stars as they pose on the red carpet in front of your custom background! The background can have your name, monogram, photos, or anything you choose. The Red Carpet Photos not only steps up the luxury level at your big event, but it also adds great fun to any night!

You can also add our Paparazzi News Anchor to interview your guests as they have their photos taken. The guest comments are edited and put on a DVD. Exciting, fun, unique, and interactive way to capture your event, and send your guests home feeling like stars!

Red Carpet Photos are a great favor for Weddings, Bar/Bat Mitzvahs, Sweet 16, Birthdays, Anniversaries, Reunions, Showers, Engagement Parties, Corporate Events, or anything! The guests receive their photo that evening in a custom designed folder with your name and/or logo. You will also receive a copy of all of the photos on a thumb drive or DVD.
