Supplies:

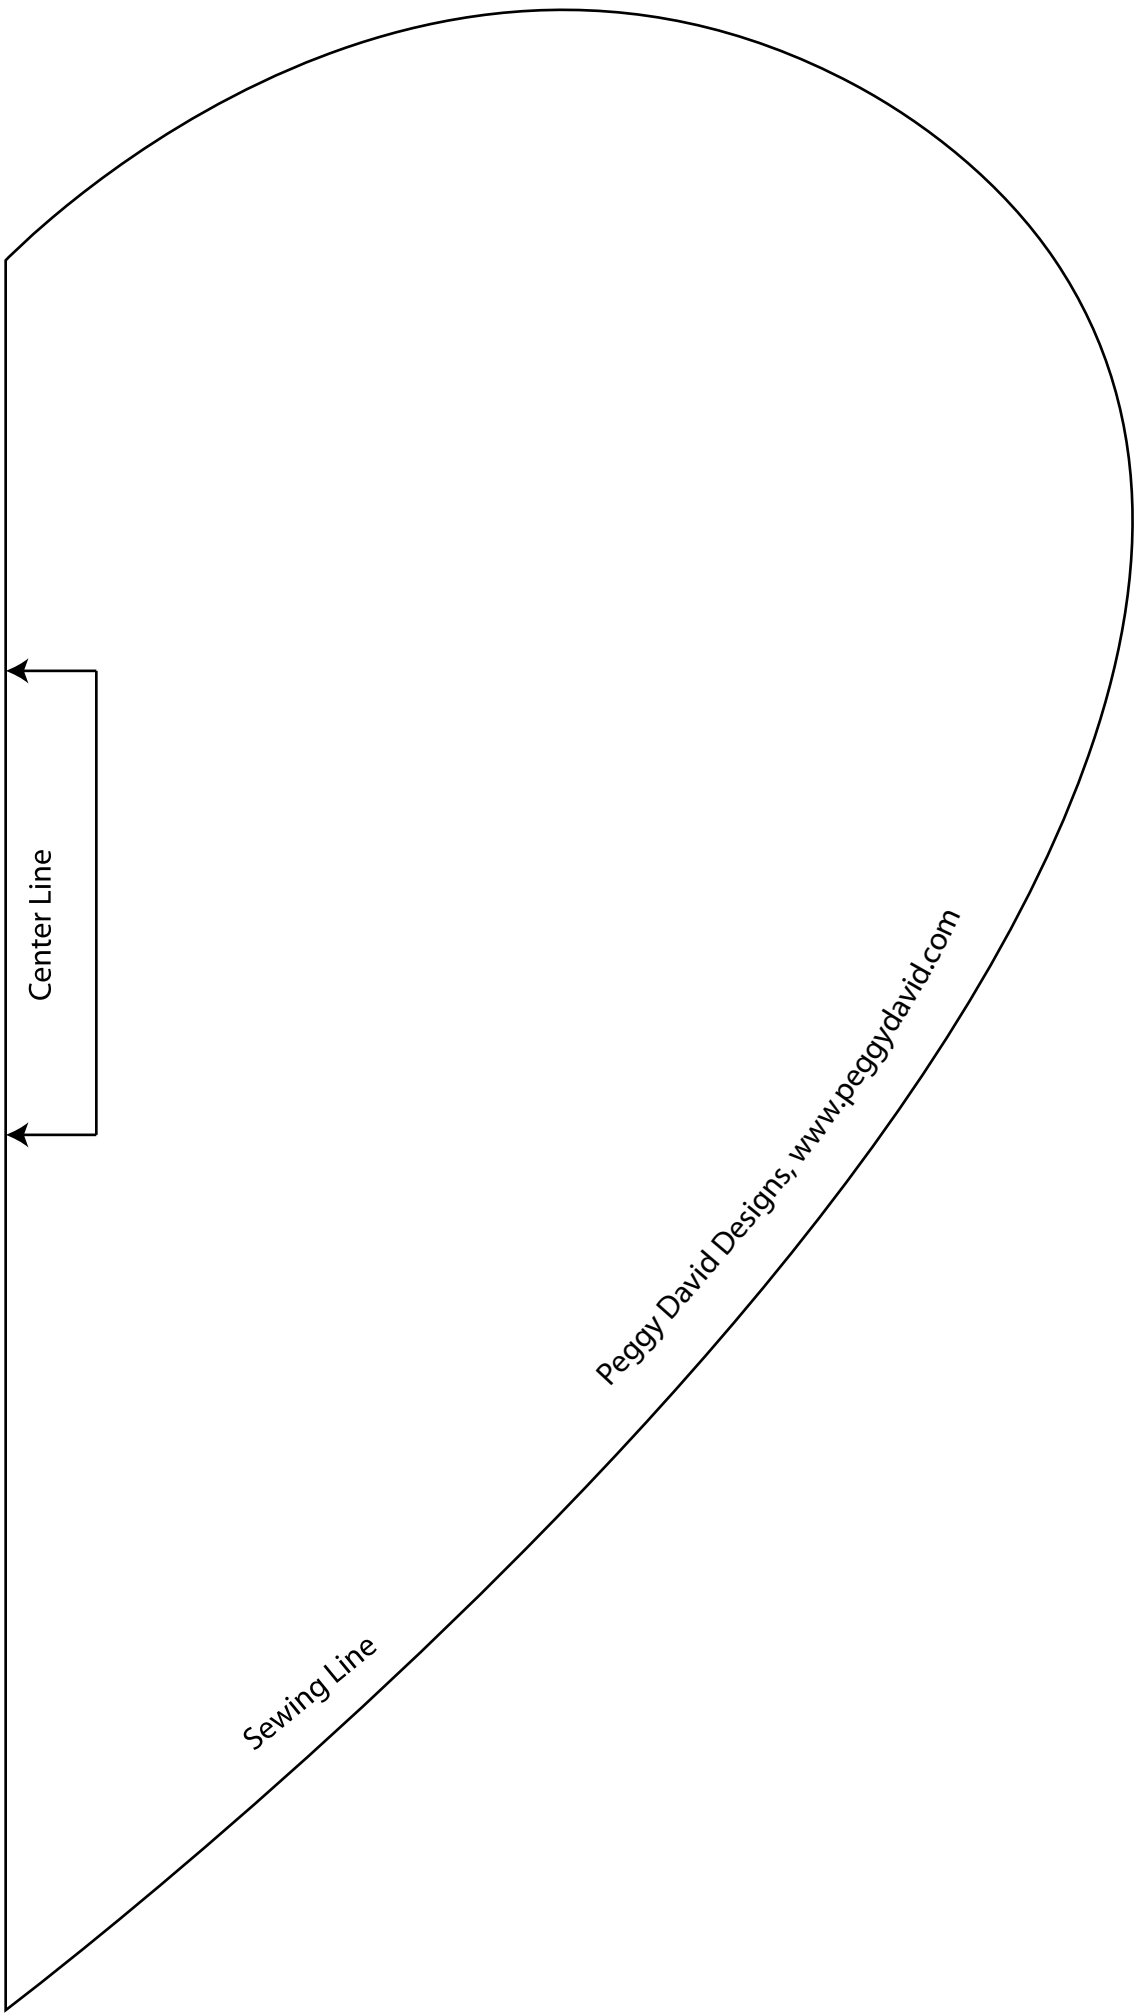

- 2 pieces of scrap fabric 13" x 12"
- Polyester stuffing
- Basic sewing supplies

Directions:

Cut out the pattern pieces and tape together along the center line. Lay fabrics, right sides together. Lay pattern on top and trace around the pattern. Sew around your drawn line, leaving an opening for turning. Cut out the heart leaving a 1/4" seam allowance. Clip the center top of the heart close to the stitch line being careful not to clip through your stitching. Turn, stuff and close using a whip stitch or latter stitch.

Leave opening for turning
