

The Tuscany Album collection is our original flush mount line. This album comes with your choice of leatherette, leather, or premium leather.

The Tuscany Albums bear some of the best design features available including:

- Damage-resistant round corners
- The tightest gutter seam available
- True flush mounted layouts
- Many cover options available, including cameo covers.

Leather Albums

Our new array of leather album colors are a wonderful option for someone who is looking for a leather cover with a beautiful uniform appearance. Each album has a subtle textured finish and rich quality of color. Our leather album covers are both durable and beautiful. **These covers are not produced with foam padding inside.**

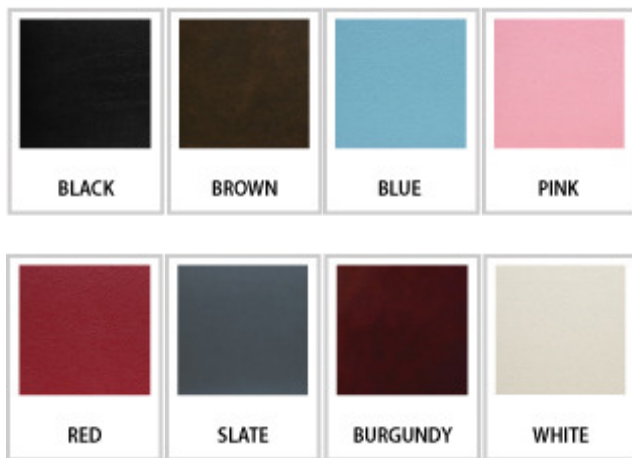

Premium Leather

Our premium leathers are simply stunning. Each album is unique with natural variations in each piece retaining the essence of the leather. **These truly luxurious wedding albums have a padded cover and are our softest leather available.**

Leatherette

Our leatherette albums are a **padded cover** that are often mistaken for real leather. These covers are a durable **man-made leather substitute** perfect for the animal conscience customer.
