2018 PHOTOGRAPHY PRICING POLICIES & WHAT TO EXPECT

Thank you for your interest in our work:

WEDDING INQUIRIES: WEDDINGS START AT 3400-PLEASE CONTACT US DIRECTLY

We Believe that Custom Portrait Photography should be a very individualized experience. The location and editing process we use for one client might not be a good fit for another. With an emphasis on a personalized experience to create with you a beautiful, customized portrait for your living space, and to give you the personal attention you deserve, we use the following process with each and every client, whether the portrait be of an individual, a family, or a high school senior.

INITIAL CONSULTATION-FREE

We want to meet with you before you even book your session. In person or via skype, we want to get to know you, your vision of your portraits, and discuss possible locations. Together we will discuss the best possible time of day/year and location to achieve that. We will give you a guide to help you start planning the areas in your home that you would like to decorate with images .

BOOKING DEPOSIT-150

Each and every portrait session is booked by paying 150.00 artistic retainer fee. This holds your session date and time, and reserves the photographer for that date. No prints or products are included in this fee, but it does cover the time and talent of the photographer to further consult about your session, create your images, edit your images to create art files and prepare a slideshow for you to view and order your final images from.

SLIDESHOW AND VIEWING APPOINTMENT

Within 2 weeks of your session date, an beautiful slideshow created just for you will be ready for viewing . In your home or at our home office, we will be thrilled to show your fully edited images to you and your family. At this time, you will choose your favorites and order your prints, digital products and any gift or art pieces you may want to display in your home and give as gifts. Most clients spend between 1200-2000 on art pieces and gift prints or albums. Art images available include: wood and metal prints, acrylic or leather covered albums, canvasses and more. Digital products include printing files, sharing files, slideshows and personal apps. Samples will be available to view. After your order is placed, you images will also be available in an online gallery to share with family and friends if you so choose.

PRODUCT DELIVERY

Within 2 weeks of ordering your product, it will arrive for pickup at our home office, or in some instances, free to your doorstep. We will guide you through the hanging and displaying process if you need some help.
