LIZZIE

Jen is a true professional and expert in her field. She was so incredibly organized before our son's wedding, guiding me through everything, contacting and coordinating with all of my vendors (even hair and makeup!) and asking so many questions and now I know why. The timeline is everything! It's why our wedding was executed with precision and accuracy. There were NO surprises. She and her team were ON IT! We are hiring her again for our daughter's wedding. Thanks so much, Jen for helping us give our bride and groom the magical, perfect, fairytale wedding they dreamed of!

DEBBIE

My new best friends!! Jennifer and Mandi are a great team!! So glad to have been introduced two weeks prior to wedding. I turned it all over to them and they definitely stepped up to the plate and did not disappoint!! The few hitches that occurred were handled quickly and discreetly. I highly recommend them without reservation for any big event you may be planning!!!

MIRENA

Where do I begin?! Jennifer and her team are nothing short of amazing. I write this as I revisit the day and really can't find any flaws. Things went so well that I was a little surprised myself. It allowed me to actually enjoy my day, be in the present moment and remember why I was getting married in the first place. I had been dreaming about my wedding day since I was a little girl. Jennifer brought my vision to reality and she made it seem effortless. She is organized, prompt and reliable. She suggested incredible vendors and we were pleased with each and everyone. Jennifer knew when to steer us and when to let us be. We started the wedding on time! Somehow we stayed within budget. We were told by many that it was the best wedding they had ever been to. It certainly was the best wedding we had ever been to. Thanks a million Fabulux Events!!!!!!
