## *What I look for in a second shooter...*

# SECOND SHOOTING

- 5+ years experience shooting as a primary wedding photographer
- Shoots and uses flash in manual mode
- Lenses with full focal range from 24 - 200 mm
- Understands light measurement and correct exposure
- Looks for authentic moments not just poses / a storyteller
- Must be able to shoot all details wide and tight
- Creative composition/rule of thirds
- Knows (or is willing to learn) off-camera flash for receptions
- Keeps lines straight - uses grid in camera
- Team player - willing to jump in where needed at any time, for any vendor
- Problem solver & hustles all day / a doer
- Smiling, friendly, accommodating
- Personable & respectful to everyone
- Professional in appearance and manner at all times
- Two professional photographer references
- Willingness to travel
